

Second Announcement Letter

Dear Friends and Colleagues,

We are happy to inform you that our registration system is finally available!

In our webpage, we have released the complete list of short courses already. Besides, there you can check the list of some of our invited speakers.

Hence, we encourage you to perform your registration as soon as possible. If you intend to present some communication, please fill the registration form with your work. Note that we have also reset the payment deadlines; moreover you will have diverse options of payment: bank deposit or credit card. We have also bank slip for Brazilians only.

We ask you to make your hotel reservation on our webpage. In order to do that, please use the form provided by the tourism agency – *Caminhos Turismo* – which will manage all the hotel booking system. In the webpage you can choose between the proposed hotels; however we would like to remind you that the whole scientific program of the meeting will take place on the convention centre of the main hotel: *Gran Hotel Stella Maris*.

We shall be glad to receive you in Salvador and we hope we will have a very nice meeting.

Thierry Petit Lobao

On behalf of the organising committee
